

Global  Hub

Empowering Aspiring Researchers

Research. Publish. Standout.

Welcome to Global R-Hub

Empowering students to venture beyond the classroom and explore the world of research through our guided mentorship programs and publication opportunities that help you:

- Stand Out in College Admissions
- Improve Your College Readiness
- Prepare for Lifelong Success

Why Choose Us?

**1-on-1
Research
Mentorship**

**Research
Methodology
Training**

**Publication
Opportunities**

**Hands-On
Learning**

**Global
Faculty
Advisors**

Why Research Matters?

**Develops
Critical Thinking**

**Builds Professional
Communication
Skills**

**Achieves
Greater Global
Research Impact**

**Strengthens Top-Tier
College Admissions**

**Opens Better Career
Opportunities**

Founder's Note

Our mission is to connect students with expert mentors who inspire critical and creative thinking, turning ideas into impactful research.

I'm proud of the community we've built, where learning is driven by curiosity, and each project becomes a stepping stone to greater achievements. As we grow, our commitment to providing a world-class research education experience to our students grows even stronger.

Dr. Shivendu S.

Associate Professor, University of South Florida
IAS Retd. (1984 Batch) | IIM-Ahmedabad | IIT-Kanpur

Hands-on Research Experience

Obstacles Students Face

- ✗ Unsure how to start or choose a research topic
- ✗ Limited access to experienced global faculty
- ✗ Low awareness about the impact of research publication at an early age
- ✗ Struggle with methodology, analysis, and structuring papers

How Global R-Hub Adds Value

- ✓ **Personalized Mentorship:** 20 one-on-one sessions with Ph.D. mentors for each project
- ✓ **Global Faculty Review:** Our Students' Projects are critically reviewed by global faculty
- ✓ **Publication Opportunities:** Support to publish research in relevant journals
- ✓ **Create Your Own Project:** Develop your project idea under the guidance of Global R-Hub mentors

How Global R-Hub Works

Our Research Domains

Meet Our Project Mentors

Dr. Neharika Shrivastava

Ph.D. Finance, BIT Mesra

Expertise: Finance, Economics, Data Analytics, Research Methodology

15+ Publications

Dr. Pooja Bachani

Ph.D. Biological Sciences, Academy of Scientific and Innovative Research

Expertise: Microbiology, Molecular Biology, Astro Biology, Chemistry, biogeochemistry, Bioenergy Research

10+ Publications

Dr. Wan-Lin Hu

Ph.D. Mechanical Engineering, Purdue University

Expertise: Sustainable Engineering, Water Treatment, Urban Systems

21+ Publications

Dr. Khushboo Sinha

Ph.D. Business Administration, University of West Scotland

Expertise: Intersection of Marketing, Technology, Innovation, Consumer Behaviour and Psychology

02+ Publications

Our mentors are distinguished by their scholarly publications, influential citation indices, and exceptional research and industry expertise.

Visit our website for more Project Mentor details.

Meet Our Global Faculty Advisors

Dr. Varol Kayhan, Ph.D.

Associate Professor, University of South Florida (USF)

Research Areas: Data Visualization and Machine Learning

09+ Publications

Dr. Daniel Conway, Ph.D.

Teaching Professor, University of Arkansas

Research Areas: Data Science, Blockchain, Analytics and Information Security

17+ Publications

Dr. Tim Smith, Ph.D.

Assistant Professor, Colorado State University

Research Areas: Business Analytics, System Design, Predictive & Process Modelling, Technology Adoption and Enterprise Development

11+ Publications

Dr. Ran (Alan) Zhang, Ph.D.

Texas Tech University

Research Areas: Economics of Information System, Digital Platforms and Online Community, Healthcare Analytics

10+ Publications

Our Global Faculty comprises of passionate educators from top universities around the globe who are passionate about guiding students through transformative research.

Visit our website for more Global Faculty details.

Our Students, Our Impact

From Where Our Students Come From:

Where They Publish:

- ✓ Young Scientists Journal
- ✓ International Journal of Finance and Banking Research
- ✓ Curieux Academic Journal
- ✓ International Journal of Accounting, Finance and Risk Management
- ✓ International Journal of Social Science and Economic Research
- ✓ International Journal of Business and Management
- ✓ Student-led Conferences and Global Research Forums

Universities Our Students Have Been To:

Application Process

1 Express your Interest

Fill our online form to express your interest.

2 Management Interaction

Discuss your research domain, project duration, and goals.

3 Scholarship Evaluation (Optional)

Evaluate a research paper with a mentor, review credentials, and assess scholarship eligibility.

4 Receive an Invitation Letter

Formal confirmation of your admission and scholarship decision (if applicable).

5 Mentor Assignment

Service agreement finalized and mentor assigned for your project.

6 Commence Your Research Project

Begin your research with structured mentorship sessions.

What Our Students Say

Dr. Deepti Singh

Ph.D. in Business Administration

Dr. Shivendu has deep commitment towards student success and his professional as well as academic journey is inspiring.

G. Dia Reddy

B.A in Economics

Working on a research project with Dr. Shrivastava was an incredible experience. From the very beginning, she made complex topics like Non-Performing Assets (NPAs) completely accessible.

Anjana Ruttala

Senior Data Engineer , Modmed

Working as a Cybersecurity Research Assistant under Prof. Shivendu sharpened my skills and boosted my confidence to tackle complex research challenges.

Satya Siddhartha Pandey

Campus Head, Sunstone, Bangalore

Dr. Neharika Shrivastava's mentorship was transformative. Her expertise and unwavering support shaped my academic journey profoundly.

APPLY NOW

Research Scholar Program

Age-appropriate projects building curiosity and research skills.

Young Scholar Program – YSP (Grades 6–8)

High School Scholar Program – HSSP (Grades 9–12)

Undergraduate Scholar Program - UGSP (1st–4th Year College)

Graduate Scholar Program – GSP (Masters, MBA & Ph.D.)

Pricing & Program Details

Features	Young Scholar Program (6th – 8th Standard)	High School Scholar Program (9th – 12th Standard)	Undergraduate Scholar Program (1st – 4th Year)	Graduate Scholar Program (Masters/MBA/ Ph.D.)
Foundational Research Training (through online mode)	3 Hours	5 Hours	5 Hours + 5 Hours (customized)	5 Hours + 10 Hours (customized)
1-on-1 Mentorship (Project Mentor) (through online mode)	12 Sessions	20 Sessions	20-24 Sessions	20-24 Sessions
Project Deliverables	3	5	8	10-12

Merit Based Scholarships*	Yes* (Interview)	Yes* (Interview)	Yes* (Test + Interview)	Yes* (Test + Interview)
Price*	USD 900	USD 1,750	USD 1,750	USD 1,750

*Get up to 30% Scholarships at all Research Programs.

*Taxes applicable as per local law.

*If the publication fee is charged by journal, then that is directly paid by the student and is not included in the price.

*25% of Service Price (after adjusting for scholarship award amount) is due before joining the monthly cohort, and the balance amount is to be paid through deliverable linked payment plan

Research Scholar Support Program

Designed for professionals and researchers needing tailored support in data analysis, interpretation, and documentation

Services and Offerings:

✓ Core Research Support

Services: Statistical analysis (hypothesis testing, regression, time series)

Duration: 2 weeks

Fee: USD 900

✓ Advanced Research Support

Services: Data analysis, visualization, and results write-up

Duration: 4 weeks

Fee: USD 1,100

✓ Turnkey Research Support

Services: End-to-end support including analysis, documentation, and submission assistance

Duration: 6 weeks

Fee: USD 1,500

Terms and Conditions

*Conditions Apply for Publication Support & Scholarships

Scholarships

Flexible and can go up to 30% of service prices and is based on merit. The scholarship decision is based on the student's test performance, interview, and academic history. The Scholarship decision by the Global R-Hub scholarship committee is final.

Publication Support

Submission up to maximum 3 journals is supported by Global R-Hub team which provides guidance in manuscript preparation, response to review comments and selection of publication outlets.

Refund Policy

Before Project Initiation:

If no sessions have commenced, a 100% refund of the upfront payment is possible upon written request.

Partial Refunds:

If fewer than 5 sessions have been conducted: Refunds will be calculated on a pro-rata basis for unused sessions excluding the Sign-Up payment.

If 5 or more sessions have been conducted: No refunds will be granted.
